THOMAS MEIER-HEDE GMBH & CO. KG

### **Reederei Harmstorf certified for the first time**

Hamburg, 11. September 2015:

Reederei Harmstorf announced on Wednesday that the classification society DNV GL certified Harmstorf for the first time for their quality and environmental management procedures, as per ISO 9001:2008 and ISO 14001:2004.

”We are happy that the certification confirmed our high standards when it comes company procedures and management practice aboard our vessels“, said Thorsten Thronicke, Managing Director of Reederei Harmstorf.

The fleet size currently comprises 16 container vessels with a carrying capacity between 5,600 and 52,300 tdw. “By proactively following the ISO-standards, Reederei Harmstorf ensures better quality and more sustainability within the work processes”, said Reiner Großhäuser, Lead Auditor at DNV GL.
